

A-FRAMES

The perfect outdoor signage option for messages that stick around.

Our A-Frames will have you covered with offerings in both metal face and coreflute options, A-Frames are perfect to use as portable marketing tools for those of you working in various locations, as well as being as easy sign to promote your bricks and mortar stores.

Metal Face:

Our metal A-Frame features a powder coated black frame and cast iron handle making it a very sturdy advertising product for all environments.

- 450mm h x 600mm w
 - 900mm h x 600mm w
 - 1200mm h x 900mm w
- curved option available on request

Coreflute (changeable):

Our Corflute Insert A-Frame, features a powder coated black frame with a swivel top flap, that keeps the insert in place but also allows you to change it easily.

Available in 2 standard sizes these A-Frames are perfect for outdoor use.

- 900mm h x 600mm w
- 1200mm h x 900mm w

Approx. turnaround time. 2-3 working days from artwork approval.

GROUND SPIKE SIGN

A great advertising method for coreflute signage at an even greater price! Our black coated ground spike sets are the perfect tool for on-the-go Real Estate agents as they only weigh .5kg! The corflute signage (600x450mm) is simply secured into place by inserting the metal prongs into the middle of the flutes.
