

PULL UP BANNERS

Looking for a durable Pull Up Banner? All our banners are made of 340gsm Anti-Curl Premium Polyester, making them tear, water and scratch resistant. They also come with a carry bag for easy transportation. Choose from our Premium or Deluxe Pull Up Banner bases in either silver or black.

The POS Pull Up Banners (850x1400mm including hardware) are the perfect 'Shopping Centre Approved' pop up signage option.

Our Aluminium Premium Pull Up Banner Bases are lighter, sleeker and more sturdy. The new patented design features dynamic retraction and extension for easy assembly, a recycled plastic internal cartridge, and two high grade plastic protruding feet. A thick vertical pole clicks and grips the top rail in place. Perfect for indoor promotional opportunities.
